Live Music for Senior Communities

One-Man Band & Guitar — with Full Equipment Setup

What you get

- A 1–2 hour live performance by a solo guitarist and singer, with a full sound system — we bring, set up, and take down all equipment.
- Songs your residents know and love: old favorites, standards, and sing-alongs in Vietnamese, French, and English.
- A warm, interactive show that gets residents singing, clapping, and reminiscing — perfect for birthdays, holiday parties, and regular activity programs.
- Our volunteer singers can join in for sing-alongs — just ask when booking.

Perfect for

Nursing homes, assisted living communities, memory care, retirement communities, and senior centers anywhere in Orange County.

Typical fee: \$300–\$500 per event

Depends on performance length and setup. No hidden charges — equipment setup is included.
